Congratulations to Diane Salamon for work on the Cecil and Virgil Burton Foundation with regional outreach.
Make a note of upcoming 12x12 dates.
Art Crit Night August 12th that was created by Jennifer Scanlan and Jarica Walsh and is being taken over by OVAC specifically Aunj Braggs as it fits under outreach and serving artists across the state.
OVAC is continuously meeting their goals. Questions about board dashboard: lower volunteer rate due to fewer in-person events. Lower retention rate at 60% however it is higher than the original which was approximately 30%.

Treasurer’s Report: Diane Salamon
Using the report ending May 2021. Cash flow increase $104,467.76 and the cash at the end of the period was $223,744.43. The Statement of Financial Position lists our net assets at $310,928.36. There was also a correction to EIDL loan payable under
liabilities it is $150,000 which is correct. Under the Statement of Activities section we received $5,000 from an anonymous board donor for the Major Gifts Campaign for the 30th anniversary. Our net assets increased: $43,810.67 at year to date. For budget vs. actuals, our gross profit was $532,324.38, which was 101% of the budget. Total expenditures at $494,313.09 which is 93.53% of the budget. Net operating revenue at $38,011.29. General contributions were more than budgeted. For Tulsa Art Studio Tour we did meet fundraising goals although we don’t have the final numbers yet. Momentum stayed under budget; we didn’t receive the funding we had hoped for. For membership we have hit our $41,00 goal. For COVID funding, Krystle applied for a PPP2 loan of $39,825. All information has been submitted to the bank and we are hoping to receive a forgiveness. Funding has been very good this year and next year we will need to maintain funding for the new positions hired to sustain our organization and programs. The board also discussed what to do with the money invested in the Tulsa Community Fund.

The board discussed needing an investment policy. Krystle will send Drew the reports and he will advise on the policy.

Kathy said she would reach out to Phil Lakin to ask how we get on the list of Donor Advised Funds at TCF.

Diane stated we need to invest in our staff through professional development.
